INGREDIENT BIN

STANDARD FEATURES

- Designed to store bulk quantities of dry ingredients such as flour and sugar
- Stainless steel all-welded bin with sliding cover
- Sanitary coved corner design eliminates the need for costly replacement liners
- Casters are sturdy, 3", non-marking and no-lube. Two fixed and two swivel.
- Moves easily when fully loaded
- Approximate capacity — 120 lbs. of cake flour or 190 lbs of granulated sugar (on single compartment units)
- Ingredient labels included
- Fits under tables 36" wide or greater
