

VULCAN

EA PLUS SERIES COUNTER STEAMERS

SIMPLE, BUT NEVER BASIC.

There's nothing basic about Vulcan's EA Plus electric countertop steamer. Equipped with many of the same features found on our higher-performance steamers, the EA Plus lets you get started fast, cook with nonstop, reliable steam and decrease scale maintenance. And because it's built with Vulcan's exclusive technology, you'll serve delicious foods with no taste transfer.

EA PLUS SERIES COUNTER STEAMERS

Cook with nonstop, reliable steam and decrease scale maintenance. Serve delicious foods with no taste transfer using the power of steam.

PATENT-PENDING HIGH-EFFICIENCY STEAM GENERATOR

Operate more efficiently, and steam more precisely. Independent steam generation lets you cook seafood with no foaming and serve delicious foods with no taste transfer.

EXCLUSIVE SMART FILL TECHNOLOGY

Reduce startup time and accelerate your kitchen with continuous steam generation for nonstop cooking performance.

AVAILABLE MODELS:

C24EA3 Plus	3 Pan
C24EA5 Plus	5 Pan

C24EA5 Plus

ENHANCED CONTROLS

Simplifies operation with just two controls—a power switch and timer—that are easy to use and manipulate with gloves. Ready light indicates when steam cavity is up to temperature.

EXCLUSIVE SMARTDRAIN™ AND POWERFLUSH™ TECHNOLOGY

Keep your generator clean. Reduce scale buildup and likelihood of backup when powering down. Less routine maintenance and downtime means less costs related to descaling and repairs.

FREE NEW EQUIPMENT CHECKOUT by Hobart Service

A Vulcan product expert will verify the new equipment was installed accurately and functioning properly — giving you greater peace of mind.
